

QUALITY POLICY

The management of LUXAE, S.L. undertakes to comply with all customer requirements, including those relating to the product and compliance with legal and regulatory requirements.

MISSION: To contribute with our modules and components to make roads and streets a safer place, facilitating the movement of emergency and special vehicles and increasing the safety of drivers and pedestrians.

VISION: To become a World reference in technology and innovation in the safety market.

VALUES:

- **INTEGRITY:** Be authentic.
- **COMMITMENT:** We actively participate in everything we do, with the aim of achieving satisfactory results, with responsibility, effort and involvement.
- **COLLABORATION:** We are a team, like a family, and we work together with a common purpose, in solidarity.
- **INNOVATION:** We observe, think, imagine, create, with the aim of reaching a step further.

We are also committed to continuously improving, the effectiveness of the quality management system, with the aim of being better every day.
